Kenny had the following discussion items:

**DISCUSSION ITEMS:**

- Water Trail/Kreuger Museum – There was a discussion of a desire of Geoff Snyder to potentially bring the Kreuger Museum (currently in Clare, Vern was a native of Portland, MI) to Jackson. Geoff wishes to have Todd Zeller be the representative from GREAT on investigating this effort. Since Todd is not currently a member Kenny will reach out to Todd to determine his interest.
- October Paddle – There were 22 adults and 2 children that participated. It was a lovely day and most paddled upstream to past the 138kV power line crossing, but did not get to the inverted notched felled tree or Youth Haven. However, it appeared that we approached the coordinates of (42°24'31.4"N 84°28'02.6"W).
- Ideas for Next Year– The Covid-19 pandemic will likely force paddles to be conducted from a common put-in take-out location. The ideas from the last meeting are still relevant and the planning

team will use that as guidance at the December Zoom meeting.

- Annual Dinner – There was some discussion of the Annual Dinner and the problems created by the Covid-19 pandemic. Other paddling groups are turning to virtual activities that allow for some fund raising like MGROW.
